

COSPLANNING: Planning for Cosplay

Hosted by Louisiana Cosplayers

Why Cosplay?

- What is Cosplay?
- What does it mean to be a Louisiana Cosplayer?
- What can improved planning do for your cosplay?

Choosing Your Cosplay

There are lots of reasons to cosplay something:

- You like the character
- You like the character design
- It is a challenge for you
- You relate to the series
- You want to be in a group with your friends
- Fits your skill level

Competition or Naw?

Competition

- Impressive by design
- Often not a common character
- Pushes your skill level
- Must be something YOU can make
- Needs documentation

Naw

- More relaxed
- More options
- More stylized
- Can be store bought
- Only needs documentation for you

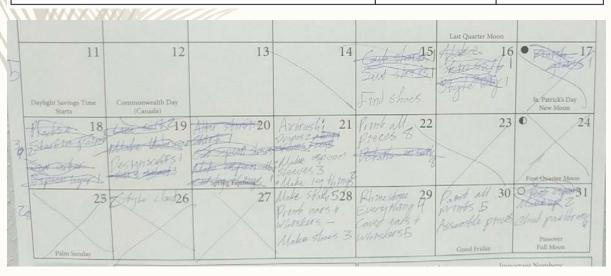

References

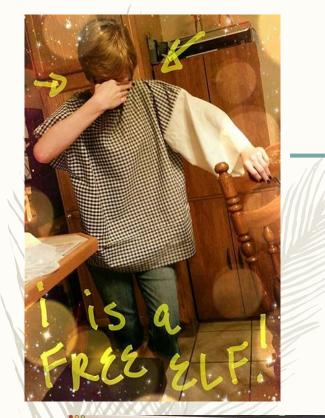

- As many as you can
- All angles & small details
- Screen-captures
- 3D models where possible
- PRINT THEM!

		Total	54.5 hours	

- Plan for setbacks
- Break the cosplay into parts
- Break parts into tasks
- Give each task a (reasonable) time allotment
- Plan how much you can do in a week

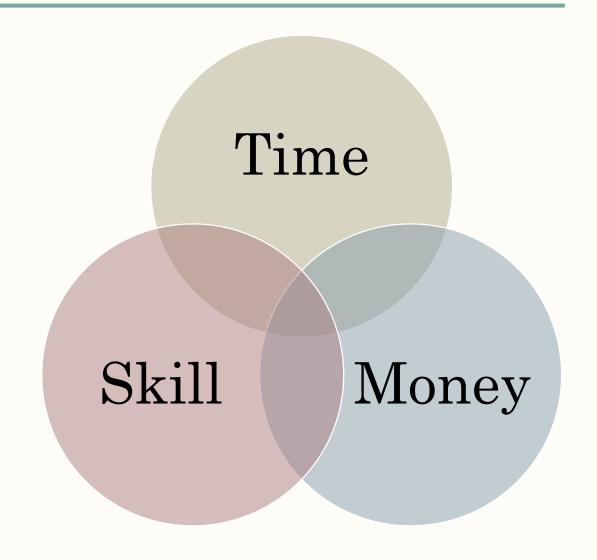

Planning Construction

- Patterns: Making vs. Buying
- Mockups! You need them
 - Mockup fabric needs to have the same properties as the final fabric
 - Ex. Knit for knit, the same drape
- Be prepared to make multiple trial pieces
- Think about how parts will interact

Gather Materials

- Resources: Cost vs. Accuracy
- Compare material sources
- Functionality
 - Stretch?
 - Movement?
 - Logistics
 - Putting it on

Gather Materials

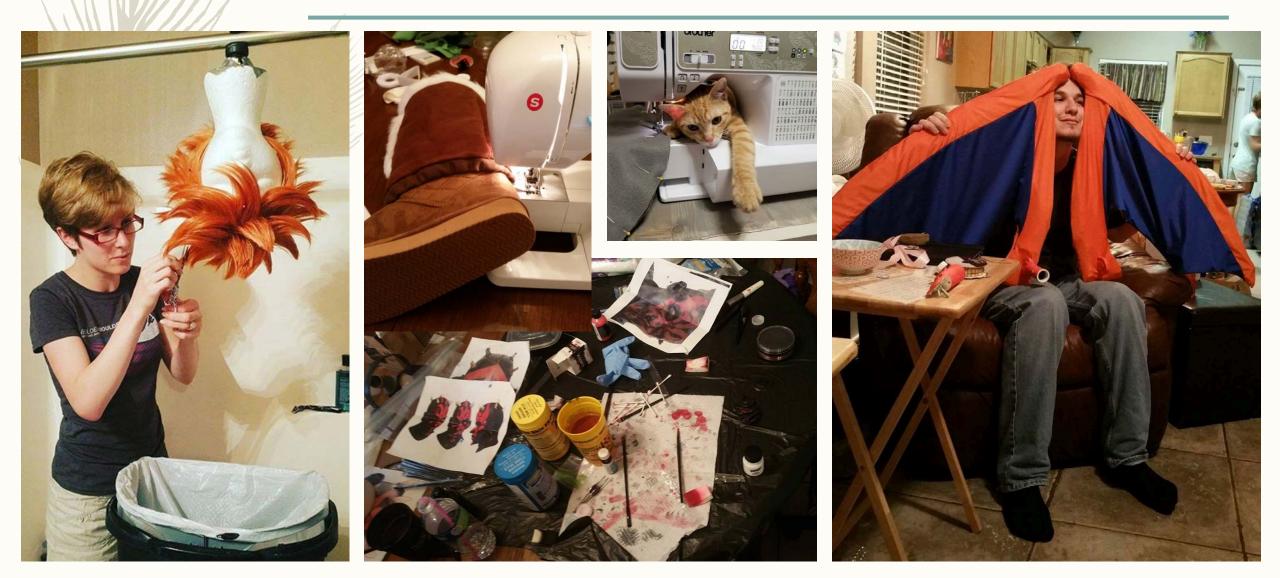

Hidden costs

 Tools, interfacing, thread, elastic, zippers, stuffing, glue, sandpaper, hairspray, undergarments, mock-ups

- Order fabric swatches
- Give yourself time for shipping
- Get more than you need

Post Organization

Create a file

- Gather all physical paper pieces
- Patterns, notes, references, receipts 1
 - Update patterns

Make a Master list

- Packing tags
 - List all pieces of costume and accessories
 - Include things like contacts, hairspray, etc

Label Everything

- Label wigs for quick packing
- Label shoe boxes
- Lebel contacts

Decide what to keep

- Scraps
- **Excess trims**
- Negligible patterns
